## BOOK SYNOPSIS

Happily never after... Carlotta Wren's life has taken a startling turn—she's not sure what's going to happen next. So when her retail job temporarily plants her in the world of wedding planning, she's happy for the distraction—at first. Because the happily-ever-after setting only heightens the stress surrounding the decisions she faces about her romantic life. The three hot men vying for her attention aren't going to wait forever for her answer. On the other hand, at least the bridal show gets her away from body moving for a while, right? Wrong. Because when grooms all over Atlanta start dropping like flies, once again, Carlotta finds herself square in the middle of a murder mystery!
