BOOK SYNOPSIS

They are the outcasts of humanity. Blessed with power. Cursed by fate. Driven by passion. The Sentinels have returned. . . Out Of The Shadows At six-foot-three and two-hundred-fifty pounds, Fane is a natural born guardian. A flawless mix of muscled perfection and steely precision, he has devoted years of his life to protecting a beautiful necromancer. But after she found love in the arms of another, Fane has been a warrior adrift. He swears allegiance only to the Sentinels. And no woman will ever rule his heart again. . . Into The Fire Not only a powerful psychic, Serra is that rare telepath who can connect to minds through objects. When the daughter of a high-blood businessman is kidnapped, Serra agrees to help. But when she stumbles onto a conspiracy involving secrets sects and ancient relics, her life is in mortal danger--and Fane is her only hope. Is the warrior willing to risk his body, his soul, and his heart, for Serra? Or will one last betrayal destroy them both? Praise for Born in Blood "Ivys fans will be invested in the development of romances introduced between supporting characters as well as further building of this conflicted universe." --Publishers Weekly "An exciting and sizzling new paranormal romance series." --RT Book Reviews
