A fully updated edition of The Champagne Guide by the winner of the 2015 International Wine & Spirit Competition Communicator of the Year Award Tyson Stelzer. The Champagne Guide 2018-2019 contains fully independent assessments, with profiles and ratings, of over 100 champagne producers - from the smallest growers to the largest houses. The wines have all been reviewed based on current tastings and the notes are accompanied by full-color bottle images. The 2018-2019 edition also features fully updated information on the distinction between houses and producers and how to avoid corked, stale and lightstruck champagnes. The Champagne Hall of Honour ranks the best producers in Champagne this year, the best champagnes of the year in different price ranges, and the best blanc de blancs, rosé and low-dosage champagnes. This internationally acclaimed volume tells you everything you need to know about champagne, and all for less than the price of a standard bottle!
