BOOK SYNOPSIS

One part celebration, one part history, two parts manifesto, Bernard DeVoto's *The Hour* is a comic and unequivocal treatise on how and why we drink—properly. One part celebration, one part history, two parts manifesto, Bernard DeVoto's *The Hour* is a comic and unequivocal treatise on how and why we drink—properly. The Pulitzer Prize and National Book Award-winning author turns his shrewd wit on the spirits and attitudes that cause his stomach to turn and his eyes to roll (Warning: this book is NOT for rum drinkers). DeVoto instructs his readers on how to drink like gentlemen and sheds new light on the simple joys of the cocktail hour. Daniel Handler's introduction to this reprint of the 1950s classic provides a humorous framework for the modern reader.
