## **BOOK SYNOPSIS**

**AN IRRESISTIBLE LITERARY FEAST** Stories and recipes inspired by the worlds great books As a young bookworm reading in her grandfathers butcher shop, Cara Nicoletti saw how books and food bring people to life. Now a butcher, cook, and talented writer, she serves up stories and recipes inspired by beloved books and the food that gives their characters depth and personality. From the breakfast sausage in Laura Ingalls Wilders Little House in the Big Woods to chocolate cupcakes with peppermint buttercream from Jonathan Franzens The Corrections, these books and the tasty treats in them put her on the road to happiness. Cooking through the books that changed her life, Nicoletti shares fifty recipes, including: The perfect soft-boiled egg in Jane Austens Emma Grilled peaches with homemade ricotta in tribute to Joan Didions "Goodbye to All That" New England clam chowder inspired by Herman Melvilles Moby-Dick Fava bean and chicken liver mousse crostini (with a nice Chianti) after Thomas Harriss The Silence of the Lambs Brown butter crêpes from Gillian Flynns Gone Girl Beautifully illustrated, clever, and full of heart, Voracious will satisfy anyone who loves a fantastic meal with family and friends-or curling up with a great novel for dessert.
